FULL TIME/PART TIME FLIGHT NURSE JOB OPENING

Job Description:

NEMT Stat Air Ambulance Cooperative (Stat Air) invites you to explore an outstanding opportunity as a critical care transport nurse. STAT Air is a premier emergency medical air transportation company, known for its clinical excellence, superior aviation program, and reliable response in providing care to critically ill and injured patients. STAT Air operates three fixed wing airplanes out of its Glasgow, MT, base for both regional and long-distance transports.

Qualifications and Skills Required:

- Montana Licensed RN, preferred bachelor's degree
- Minimum of 3 years nursing experience with strong ICU and/or ER background
- Certifications in BLS, ACLS, PALS, and critical trauma care
- Tolerating stressors of flight, including but not limited to, excessive motion, vibration, and extreme temperature variations
- Able to work autonomously with minimal supervision, under pressure in a variety of stressful situations.

Benefits:

- Competitive Salary based on experience with potential to pick up additional shifts
- 401 (K) company match after 6 months
- Full Medical/Dental/Vision
- Paid Time Off

Flight Schedules:

- 12 & 24 hour shifts
- Stay at home when on call, if living within 20 minutes from airport.
- Housing available on base during shift.
